

Screening Report — 2026-09-07

Screened Files: Flang Paulson_8 yrs_Playwright.docx, GirishJoshi_Senior_QA_Engineer_10+Yrs.docx | **Active JD:** references/job-description.md (Default SDET 6–10 Yrs) | **Candidates Ranked:** 2

1) Ranking

#	Candidate	Score	Verdict	Total Exp	Missing (Mandatory)	Partial	Claimed
1	Flang Paulson 8 yrs Playwright	74.0 / 100	Screening Passed · Potential fit ⚠️	7.0 yrs	Python, Cypress, Pytest, AI Solution Testing	—	—
2	GirishJoshi Senior QA Engineer 10+Yrs	67.0 / 100	Screening Passed · Potential fit ⚠️	10.0 yrs	Python, Cypress, Pytest, API Testing	—	—

Key Takeaway & Override Decisions:

- **Flang Paulson 8 yrs Playwright:** Screening Passed · Potential fit ⚠️ — None
- **GirishJoshi Senior QA Engineer 10+Yrs:** Screening Passed · Potential fit ⚠️ — None

2) Gap Matrix

Candidate: Flang Paulson 8 yrs Playwright

Skill / Area	JD Expectation	Requirement	Status	Evidence (Key Line / Deliverable)
JavaScript / TypeScript	Proficient in JS/TS for building automation solutions	Mandatory	Matched	JS/TS automation used in project deliverables
Python	Proficient in Python for building automation solutions	Mandatory	Missing	no evidence found
Cypress	Hands-on modern E2E automation tool	Mandatory	Missing	no evidence found
Playwright	Hands-on Playwright modern framework experience	Mandatory	Matched	Playwright test automation evidenced in deliverables
Pytest	Hands-on Pytest test runner & fixtures	Mandatory	Missing	no evidence found
Automation Framework Design	Build, scale, and maintain POM frameworks end-to-end	Mandatory	Matched	Page Object Model framework architecture design
UI / Web Testing + BDD	UI/Web testing with BDD (Cucumber / SpecFlow / MABL)	Mandatory	Matched	End-to-end UI & BDD testing evidenced
API Testing	REST APIs with Postman / Insomnia / Mocha	Mandatory	Matched	REST API automation and payload validation
STLC & Test Strategy	Functional & non-functional testing strategy, RTM, metrics	Mandatory	Matched	STLC test strategy, regression suites, and test planning
Test Management Tools	Hands-on Jira, HP ALM / QC, TestRail	Mandatory	Matched	Jira / ALM defect lifecycle and test tracking
Agile / Kanban	Agile Scrum ceremonies, sprint planning, defect triage	Mandatory	Matched	Agile ceremonies, sprint planning, and defect triage
AI Solution Testing	Experience testing AI-powered solutions / ML models	Mandatory	Missing	no evidence found

Skill / Area	JD Expectation	Requirement	Status	Evidence (Key Line / Deliverable)
Agentic AI	Agentic AI (MCP, RAG, Prompting; test/dev solutions)	Mandatory	Matched	Agentic architecture (MCP/RAG/Prompt engineering)
AWS / Azure Cloud Exposure	Cloud services relevant to test environments	Good-to-have	Matched	Cloud test environments
CI/CD Integration	Integrates test suites into CI/CD pipelines	Good-to-have	Matched	CI/CD automated execution
Monitoring & Observability	Splunk, Grafana, Power BI monitoring	Good-to-have	Missing	Log analysis & monitoring
No-Code / Low-Code Tools	MABL, Test Complete	Good-to-have	Matched	No-code testing tools
Pharma / Life Sciences Domain	Pharma, healthcare, or clinical trial background	Good-to-have	Matched	Pharma / Clinical Trial domain experience

Candidate: GirishJoshi Senior QA Engineer 10+Yrs

Skill / Area	JD Expectation	Requirement	Status	Evidence (Key Line / Deliverable)
JavaScript / TypeScript	Proficient in JS/TS for building automation solutions	Mandatory	Matched	JS/TS automation used in project deliverables
Python	Proficient in Python for building automation solutions	Mandatory	Missing	no evidence found
Cypress	Hands-on modern E2E automation tool	Mandatory	Missing	no evidence found
Playwright	Hands-on Playwright modern framework experience	Mandatory	Matched	Playwright test automation evidenced in deliverables

3) Candidate Details

1. Flang Paulson 8 yrs Playwright

Tag Line: Screening Passed · Potential fit ⚠️

Total Experience: 7.0 years | Final Score: 74.0 / 100

- Score Breakdown: Mandatory 61.0/85, Bonus 8.0/10, Exp Fit 5.0/5 → Raw: 74.0/100
- Override Decision: None

2. GirishJoshi Senior QA Engineer 10+Yrs

Tag Line: Screening Passed · Potential fit ⚠️

Total Experience: 10.0 years | Final Score: 67.0 / 100

- Score Breakdown: Mandatory 58.0/85, Bonus 4.0/10, Exp Fit 5.0/5 → Raw: 67.0/100
- Override Decision: None
